Description: Nature School is a fresh, innovative way to immerse your Grade 5 class in nature and the environment across the curriculum. The Kerry Wood Nature Centre is uniquely equipped to handle your more challenging Science Curriculum topics; but that's not all Nature School has to offer. Your students will get a healthy dose of working and playing outside, collaborating with group members to achieve a common goal, and discovering new ways to problem solve. Personal reflection, group sharing, and active living are all integral parts of this week-long adventure.

Cost: \$2000 for a group of up to 60 students. Book early in the school year to ensure your space in this unique experience.
