## Shutterbugs

Aspiring filmmakers and photographers will love this camp with our remote guest, Natalie, from The Cinematheque in Vancouver. We'll explore all aspects of capturing nature on film: from crafts, to pics, to roles both in front of and behind the camera as we make a mini-movie in under a week.

All camps run from 9:00 a.m. to 4:00 p.m. each day  
and are available by pre-registration only.

For more information or to pre-register, please call 403-342-2010 or visit us online.
